SUPPORT ENSEMBLE LAUDE

General Information

Ensemble Laude is a women's community choir based in Victoria.

Under the direction of Elizabeth MacIsaac, our award-winning choir offers two showcase concerts each season to the general public, which are 'Entry by Donation.' Other concerts throughout the year support such charities as the Rainbow Kitchen, Somenos Women's Shelter, and Women in Need (WIN).

Ensemble Laude Choral Society is a registered not-for-profit organization which runs the Ensemble Laude choir. Like the choir, its purpose is to encourage and promote education and performance of choral music. As such, we focus on the research, performance, and enjoyment of medieval, early, and unique multicultural music, frequently in collaboration with other singers and instrumentalists.

This season's major headline concerts are *The Beloved*, held in the sanctuary at St. Andrew's Presbyterian, at 3:00 p.m. on Sunday December 18, 2011, and *The Garden*, on April 22, 2012 in the same venue. These thematically oriented concerts will feature beautiful choral performances of works from around the world which appeal to all ages. More information about Ensemble Laude and our current season is on our website: www.ensemblelaude.org

The Need

It is through the support of our community that our concerts may be offered by donation, allowing music lovers of all financial means to enjoy these performances of worthy and rarely performed multicultural and early repertoire.

Ensemble Laude seeks to offer performances that delight audiences and touch the community. Our 2011-12 season highlights will include the commissioning of a composition from renowned composer Nicholas Fairbank, collaboration with dancers to add choreography to some of our music, and an invitation to participate and compete in the Kathaumixw International Choral Festival in Powell River in July, 2012. We believe these plans will help us achieve our goals and enhance the experience of our singers and audience members alike.

We need your support to help this happen. On the next page is Donor, Sponsorship, and Ad Rate information for review. If you or your business can help us, please contact either:
